Let's Talk about Arrivals!

We know that you can't wait to get to the Jamboree, and we can't wait to meet you! The time will be here soon!

In the meantime, let me review again the schedule and expectations for arrivals. The official arrival dates for IST are July 18-20. Most IST should plan to arrive during this time frame. Please bear in mind that some IST will have a lot of preparatory work to do in their areas and others will have minimal.

As a Jamboree Shows Team, we're somewhere in the middle. Much of our preparatory work is being done by professionals being paid to set up all the rented equipment.

During these few days of pre-Jamboree readiness, there will be very little to do other than prepare our own areas (the other areas don't want you in their way either!).

There is no need for all but a handful of Jamboree Shows Team members to arrive before the 18th and

they have been identified and notified. Some members must arrive with their contingents, i.e. after the 20th, which we will work to accommodate. So, just plan to arrive on one of the three scheduled days, (18, 19, 20) armed with patience and flexibility!

Please remember to complete the Shows Travel Form as well as the TMS arrival form (see page 3).

Entertainment That's Out of This World!

We know you've been waiting to hear more about our entertainment. An important part of the Jamboree experience is the Base Camp Bash, held each night that there is no stadium show from 20:00-22:00, see schedule and locations below. David Laabs and his team have put together a fantastic line-up! Without further ado, let me tell you about our Base Camp Bash entertainment.

Warming up the stage each night at 19:45 will be the soon to be famous World Scout Jamboree Band! They'll get our participants in the mood to party!

The Band will be followed by our DJ/MCs. We've got two fantastic talents to share!

- At the Bashes on July 24, 25, 27, and 29, tunes will be spun by DJ Titan, a Toronto, Canada-based young man who also happens to be a Scout!
- At the Bashes on July 29 and 30, we'll have Babi Mac from ESPN's College Gameday, getting the participants rocking!

Each night we'll have a live band. Our featured performers are:

MOUNTAIN HEART (www.mountainheart.com)

Mountain Heart is the band that has been fearlessly revolutionizing the way acoustic music can be presented and played. The band's name has been synonymous with cutting-edge excellence in acoustic music circles since the group's creation. Widely known throughout the music industry for continually redefining the boundaries of acoustic music, the band has gained legions of loyal fans both as a result of their superlative musicianship and just as notably, their incendiary live performances.

TAYLOR TUCKY (<https://www.facebook.com/taylortuckyband>)

Taylor Tucky is an American five-member country music band formed in Taylor, Michigan. Their music is contemporary Country with rock instrumentation with melodic pop melodies and memorable hooks. The band is in the process of releasing their first full-length album.

FIFTY AMP FUSE (<http://fiftyampfuse.com/>)

"The Greatest little Tribute show on Earth" Most folks think of tribute bands as a band playing the music of a singular artist, usually accompanied by dodgy wigs and cheesy costumes. FiftyAmpFuse® is a tribute to the greatest hits of all time from the 60's, 70's, 80's, 90's and now. The band is dressed like rock stars and the music sounds incredibly like the original. With 6 Lead vocalists, FiftyAmpFuse® is even able to pull off songs like "Bohemian Rhapsody" by Queen, and "We are young" by Fun.

GLOBAL VILLAGE (www.globalvillageband.com)

Global Village has been packing dance floors and keeping those hips a-shakin' in Mid-Michigan for almost 25 years. Boasting a three piece horn section, powerful vocals, a driving rhythm section, and a song list that's sure to get any crowd dancing, GV has made a name for itself as the premier party band of the Lansing area, as well as the surrounding music scenes.

In addition to all this musical entertainment, the final two shows will feature a traditional American Carnival Midway in the back of the field where the show occurs. Participants will try their hands at the various games sure to challenge their motor skills, and give them the opportunity to "win" some WSJ2019 swag to take back home. Each night will also feature a "T-shirt cannon" that will also be distributing fun WSJ bash souvenirs. There's fun for everyone!

IST Registration

We've been informed that IST registration is largely closed. We may get a few last assignments, but at this point, we're moving forward with the staff we have. We may need to make some temporary or permanent shifts or you may be asked to work a shift or two in stadium security, so your flexibility is appreciated!

We'd like to have these by May 31st.

The Importance of Being in Shape

(can't say enough)

The Summit is huge with lots of topography. There's definitely a reason they call West Virginia the Mountain State. If you see any flat ground it's probably man made. The staff camp is 1.5miles away from the Stadium and you will be walking the round trip at least once each day. Plus you'll be walking up and down the Stadium House (seating area). This is not going to be a trek but you will need to be in walking shape. We've got months - let's all get ready to walk.

Safe From Harm

All IST will be required to complete Safe From Harm training before coming onsite. It will be available soon— thanks for your patience!. Please watch your email and JamboChat for the link to the online training. Save yourself time at check-in by completing it before you arrive.

Medical Forms/Information

Jamboree Medical will be a comprehensive service covering all manner of potential emergencies. To prepare effectively, all attendees including IST will be asked to provide some basic medical information. Please be on the lookout for this request! We are still awaiting the WSJ links for this information!

Jamboree Stadium Staff Dress Code

COMING SOON, but not yet — JAMBOREE STADIUM GEAR SHOP

Staff will need the following to wear during events/performances:

Band: Shirt, band neckerchief

Bash: Shirt,

Stadium: Shirt and cap

A patch will also be available for all Jambo Shows IST.

I cannot emphasize enough the importance of setting up your JamboChat/RocketChat. Our site is <https://chat2019wsj.org/>. If you have not received an auto-enrollment email, please let me know if you don't receive one by March 1. Please complete your account setup and start communicating with our team ASAP. We are also adding content to our website at <https://www.jamboshows.org/www/>, so please visit regularly for updates. Of course, some communication will continue to come via email, so please continue to monitor the address you used in your Jamboree registration.
